TVU Search - Search, Find and Clip LIVE Content Faster

AI-based speech and image recognition

Quickly locate, clip and download the exact HD video footage that you need

Review matching content from all feeds

Analyze historical search patterns with dashboard reporting

Publish clips directly to social media (Facebook, Twitter, Instagram, YouTube, TikTok) with custom branding (watermark & pre/post-roll)

100% FREE access to HD live feeds of
Expo 2020 Dubai

Quickly locate, clip and download
what you need

Take broadcast-quality live feeds to air on
TV or Web programs through TVU Grid

Get ready to take HD feeds live for the
world's biggest events:

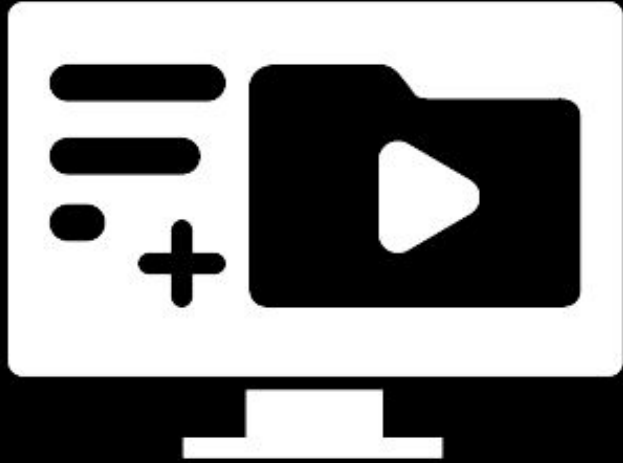

Concerts (ColdPlay coming in February)

Sports competitions (UEFA Awards, Cycling,
Horse Racing, World Cup, ATP Tennis
tournament and more)

Cultural ceremonies (including Chinese
New Year)

All National days broadcast

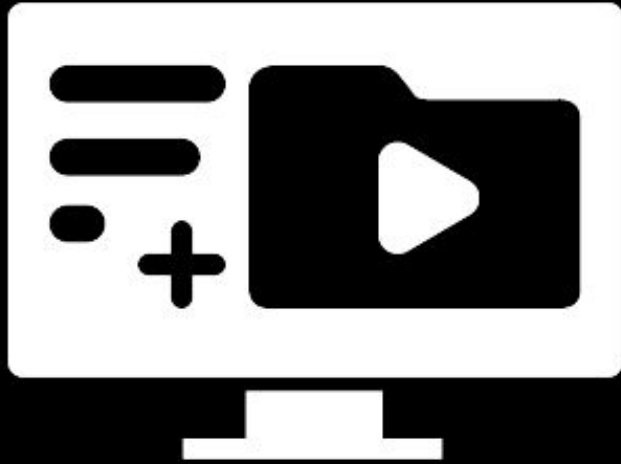

Free HD Live Feeds from Expo 2020 Dubai via TVU Search

Thousands of hours of the Expo have been taken live with **TVU Search**.

TVU Networks has Prime Time for the next 3 months of the Expo.

Bringing you the biggest live events of the season: concerts, sports, awards and more...

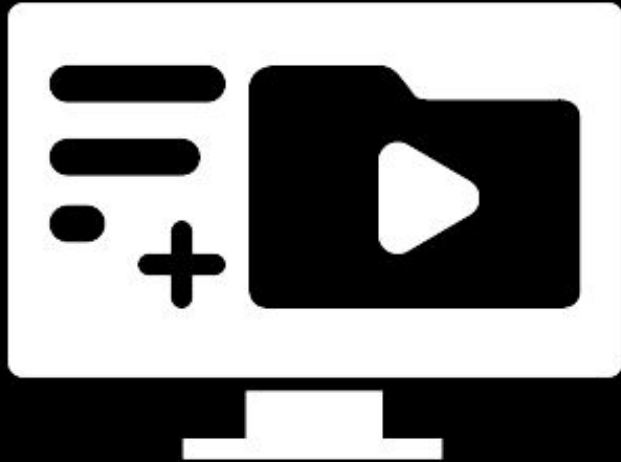

Two live video sources from Dubai TV are being offered to TVU Search and TVU Grid customers

Footage from the festival is available to all TVU Search subscribers for free

TVU One 4K HDR 5G mobile transmitters are offered to visitors for rent or purchase

Cloud-based video production ecosystem solutions for rent or purchase include: TVU Partyline and TVU Producer

How to take the Feeds Live:

TVU Receiver - output via SDI or IP

Cloud Receiver - output via IP

Contact your Sales representative to get set-up today.
